

Internal Rep Payout Guide

Three clear tiers per product. Each tier shows **CLIENT PRICE** and **REP PAYOUT** separately. No costs, floors, margins, sourcing, or investment details are shown.

TIER 1 - Approved Price	TIER 2 - +5% Upsell	TIER 3 - +10% Upsell
Use this as the normal quote. The rep payout shown is the full payout at this tier.	Client pays 5% above Tier 1. The payout shown already includes the added upsell.	Client pays 10% above Tier 1. The payout shown already includes the added upsell.

How to read every tier box: The blue line is the amount the client pays. The green line is the amount the rep earns. The rep payout shown is the **total** payout for that tier, not a separate add-on.

Quote rule: Never quote below Tier 1 without approval.

Internal use only. This guide intentionally omits cost, floor, margin, supplier, investment, and profit details.

Internal Rep Payout Guide

Blue = client pays. Green = rep earns. Each payout is the total payout for that tier.
